IN A STEW

Too bad! You are probably not fitly dressed for stewing weather.

Shall it be a "HIGH-ART" Serge, Flannel or Featherweight Worsted Suit?—\$16.50 to \$30.00.

They are cut in consonance with good form and good taste.

No over-padded shoulders to make you look like a bulking prize fighter and no flapping srousers that suggests a full-rigged ship.

Extreme styles if you wish them, but grotesque ones—never.

Because we excel in the big things, don't fancy that we lag behind in the little things.

Thus a top-to-toe shop, where each article is tiptop.
